

North High Grad Appointed to Air Force Academy in Third Try

It took three tries in three years, but David William Klemp, who was graduated with the Class of '59 from North High School, has been appointed to the Air Force Academy at Colorado Springs for the Class of '65.

Klemp placed high in competitive exams in 1959, but did not beat out other top scorers in the tests. He was sent to Preparatory School at Bainbridge, Md., by the Air Force. Last year, he again placed high in the scholastic examinations, but was turned down because of malocclusion of the teeth. He had that corrected during the year.

While waiting for the 1961 tests, Klemp attended the Student Engineering Development Program of the Pacific Missile Range at Point Mugu. In this program, he attended school half a day at Ventura City College and worked half a day at the Naval facilities.

Taking tests again this year, he succeeded in gaining the appointment.

His parents, Mr. and Mrs. Gene Crumrine, now reside in Santa Clara. They resided here formerly.

Students Cited For Scholarship

Harbor College students with outstanding scholastic record in Applied Technology were honored at an assembly held in the college campus center.

Construction Of Pavement Postponed

Continuation of the reconstruction of the pavement on Eshelman Ave., northerly of Lomita Blvd. in Lomita is being postponed due to the relocation of a water line, Supervisor Burton W. Chace announced today.

Work will be rescheduled by the Los Angeles County Road Department as soon as the road is ready.

Eshelman Ave. is a County Master Plan Secondary Highway in the vicinity of the improvement project and approximately 2000 vehicles use the highway daily.
